

EXPERT WITNESS DIRECTORY

Litigator

Find the Right Witness to Help You Win Your Case

Find the expert witness or consultant you need to make your case. The information-rich Expert Witness Directory in Litigator provides profiles of experts from across Canada and the United States for a broad range of medical, technical, scientific, business, and family law issues.

With the Expert Witness Directory, you have detailed information to choose an expert wisely or counter the opposition's witness.

- Target your search by area of expertise
- Save time locating contact data
- Link to experts' resumes and judgments in which an expert is mentioned
- Uncover strengths and weaknesses in an expert's knowledge or testimony

Every Litigator subscription also includes online versions of the following:

ADR Professional Directory

Contains profiles of individuals and organizations from across Canada who engage in Alternative Dispute Resolution.

Canadian Lawyer Directory

Contains more than 30,000 profiles of lawyers, law firms, and government ministries and departments from all Canadian jurisdictions, including contact information.
