WHAT'S NEW

MacDonald & Partners LLP, Wilton and Joseph Collection of Family Law Memos

The MacDonald & Partners LLP, Wilton and Joseph Collection of Family Law Memos launched on November 15, 2016. This Collection is the first of its kind, containing memos of extremely high quality content, authored and edited by Ann Wilton, Research Associate, and Gary Joseph, Managing Partner, of MacDonald & Partners LLP, one of the premier family law boutique firms in Toronto. This Collection is extremely well organized, covers niche topics, and canvasses the law in a detailed, balanced manner.

Each Specialty Collection memo begins by providing a general history/current state of the law, offering the relevant legal test and how it has been applied. This saves you time and therefore reduces non-billable time, by quickly and effectively bringing you up to speed on an area that would otherwise take considerably longer to research, synthesize and digest.

The Family Law Memo Collection will initially consist of 200 memos and, similar to our Legal Memoranda subscription, will be updated every 3 years at the latest.

Topics that are covered include, but aren't limited to:

- Property
- Custody and Access
- Spousal Support
- Child Support
- Separation and Divorce
- Domestic Agreements
- Arbitration
- Procedural Matters
- Costs

Existing customers can access the Specialty Collection from three different avenues:

- The FamilySource page
- The Litigator homepage
- The Legal Memoranda links from the WestlawNextCanada and Source product home pages. A separate link to the Specialty Collection will appear under a new heading called "Featured Content" on the right hand pane.
