COMING SOON

LawSource Newsletter

The LawSource Newsletter, included with your LawSource subscription, is a new current awareness tool providing readers with summaries of all new Supreme Court of Canada cases, significant or interesting decisions from the Federal courts (trial, appeal and tax), as well as civil and criminal cases from across the country.

Seamless Authentication on the Alert Management Centre

Seamless authentication is coming soon to the Alert Management Centre. This valuable feature will allow alert and newsletter recipients to click through to full-text document from their alert results without signing into WestlawNext Canada.

The screenshot displays the WestlawNext Canada interface. At the top, there is a navigation bar with 'WestlawNext CANADA' on the left and 'Search Tips', 'Folders', 'History', 'Alerts', and 'Sign Off' on the right. Below this is a search bar with the placeholder text 'Enter search terms, citations, databases, anything ...' and buttons for 'FIND', 'SEARCH', and 'ADVANCED'. The main content area is titled 'Seamless Authentication' and contains the following text: 'You can set a sponsor ID to allow recipients to seamlessly access full-text documents from your alert results'. There are two radio button options: 'Do not use seamless authentication' (selected) and 'Use seamless authentication'. Below the second option is a text input field for 'Sponsor ID:'. Under the heading 'Apply to', there are two checked checkboxes: 'Email delivery' and 'Other delivery (HTML, RSS, ETC.)'. At the bottom of the settings area are 'Save' and 'Cancel' buttons. The footer of the page includes links for 'Preferences', 'My Contacts', 'Getting Started', 'Help', 'Basculer vers l'interface française', and 'Sign Off', along with the Thomson Reuters logo and copyright information: 'Copyright © Thomson Reuters Canada Limited or its licensors (excluding individual court documents).
