Flags and Links: Mismatched Title Flag

A new feature will be added to the Drafting Assistant – Flags & Links function. The new Red M “Mismatched Title” flag indicates when there is a discrepancy between the title of the case in your document and the corresponding title for the citation on WestlawNext Canada.

This new flag will let you know there is potentially an error in either the name you have assigned to the case in your document, or the citation provided.

Law Report name change

To reflect the Ontario Municipal Board’s (OMB) transition to the Local Planning Appeal Tribunal (LPAT), WestlawNext Canada’s BestCase Library will be renaming the Ontario Municipal Board Reports (O.M.B.R.) as the **Ontario Municipal Tribunal Reports (O.M.T.R.)** in January 2019. The renamed Ontario Municipal Tribunal Reports database will include both existing O.M.B.R. cases and O.M.T.R. cases. The new board name will be reflected in O.M.T.R. case citations: e.g. 22 O.M.T.R. (2d) 111. Existing content from the Ontario Municipal Board court will not be changed and will retain the original board name and citation style.
